All Dahlia roots are field grown, guaranteed healthy and true to name. Roots that fail to sprout three weeks after planting will be replaced on their return, provided roots are properly cared for and grown under favorable weather conditions.

Order early, as we have only a limited supply of some varieties. Orders will be filled at the proper planting time unless shipping date is specified. Orders totaling \$2.00 or more will be shipped postpaid. Twenty (20c) cents packaging and postage charge must be added to smaller orders.
